The Lower Lake, Glendalough, is situated about half a mile from the larger Upper Lake. It is about a quarter of a mile long, and surrounded by high mountains. This lake is generally said by guides to be the one into which St. Patrick banished the last of the snakes, a distinction also claimed in other localities! The scenery here is very fine.

Thanks for your letter,
 So glad you are enjoying
 it, & hope the weather
 is a bit cooler, as it
 is here now. Love from
 us both R. P.
